

- SECOND ANNOUNCEMENT -

HEAT 2011

THE 6th INTERNATIONAL CONFERENCE ON TRANSPORT PHENOMENA IN MULTIPHASE SYSTEMS

28.06.2011 – 02.07.2011
Ryn, Poland

<http://www.heat2011.pw.edu.pl>

GENERAL INFORMATION

The 6th International Conference on Transport Phenomena in Multiphase Systems, HEAT 2011 will be held in Ryn, Poland in July 2011.

The co-organisers of the Conference are:

Warsaw University of Technology,
Plock Campus, Plock, Poland
www.pw.edu.pl

Polish Society of Mechanical
Engineers and Technicians
www.simp.pl

Bialystok Technical University,
Bialystok, Poland
www.pb.edu.pl

Institute of Fluid Flow Machinery of
Polish Academy of Sciences,
Gdansk, Poland
www.imp.gda.pl

Gdansk University of Technology,
Gdansk, Poland
www.pg.gda.pl

Committee of Thermodynamics
and Combustion of Polish
Academy of Sciences
www.pan.pl

CONFERENCE TOPICS

Topics of the Conference will be as following:

- Plenary lectures
- Two- and multi- phase flows hydrodynamics
- Experimental techniques and miscellaneous
- Boiling, evaporation and condensation
- Melting and solidification
- Particulate flows, aerosols and colloids
- Heat/mass exchangers and industrial applications

DEADLINES

May 10, 2011

Notification of the manuscript acceptance and the reviews to be sent to authors.

May 31, 2011

Conference payment deadline.

PUBLICATION POLICY

The members of the Scientific Committee will review the manuscripts and recommend the accepted papers for presentation. The participants presenting their papers will be asked to observe the following time limits:

- keynote lecture: 30 minutes + 10 minutes discussion
- lecture: 15 minutes + 5 minutes discussion

All accepted papers will appear in the proceedings of the conference in the printed form (ISSN) and on a CD. Selected papers will be printed in scientific journals (*Archives of Thermodynamics* and *Transactions of the Institute of Fluid-Flow Machinery*).

CONFERENCE FEES

The standard conference fee is 1900 PLN.

The cost of stay of accompanying person is 1300 PLN.

Payment in other currency ought to be done using Polish NBP Exchange rates (<http://nbp.gov.pl>) for the day of payment.

Invoice data can be send through a special web form after logging in as participant.

Payment bank:

ACCOUNT NAME: **STOWAZYSZENIE INZYNIEROW I TECHNIKOW MECHANIKOW POLSKICH**
ODDZIAŁ W PŁOCKU

BANK: PKO BP II O/PŁOCK

BANK ADDRESS: ul. 3-go Maja 14, 09-402 Płock, Poland

IBAN: 63 1020 3974 0000 5302 0060 4785

SWIFT: BPKOPLPW

with description: "HEAT2011 + name_of_each_participant"

Payable to:

Polish Society of Mechanical Engineers and Technicians (SIMP), ul. Synagogałna 2/2, 09-400 Płock, Poland

TRAVEL AND ACCOMODATION

The hotel has been booked for the period between June 28 (afternoon) and July 2 (morning). On June 28, the arrival day, late meal will be served (at the hotel restaurant). On July 2, the departure day, breakfast will be served early in the morning. Foreign participants arriving at Warsaw 'Chopin' Airport will be provided with all necessary assistance including transfer from the airport to the coach station, help with buying tickets to Mragowo (maximum 50 EUR in both ways), transfer to the conference venue in Ryn. On July 2, after early breakfast foreign participants will be transferred by private bus back to Warsaw. **Please provide to the Organizing Committee the arrival time at Warsaw 'Chopin' Airport on June 28 and departure time on July 2.**
